65. Frankly, in my opinion the girl's Musical abilities are no more than average for her age.

A) Even so, if you take the girl's age into account, her musical performance was no better than that of any of the others.

B) To be honest, I don't think the girl's musical talents are anything out of the ordinary considering her age.

C) To be fair, for a girl of her age, you can hardly regard her musical abilities as impressive.

D) Indeed she's not all that young, so I don't think this girl merits so much praise for her musical abilities.

E) If you think about it, there's nothing extraordinary about her musical performance if you remember her age.
